

Common

The diagram consists of a large light blue rectangle with a dashed border. Inside this rectangle, at the top, is the word 'Common'. Below 'Common' is a smaller, solid light blue rectangle with a thick black border. This inner rectangle contains four elements: the text 'Keymaps' on the left, and three smaller blue rectangles with black borders on the right. These three rectangles are labeled 'Displays', 'Models', and 'States' from left to right.
