

Extensions

The diagram illustrates the structure of the 'Extensions' package. It is represented by a light blue rounded rectangle with a dashed border. Inside this rectangle, the word 'Extensions' is centered at the top. Below it, there is a solid black rectangular frame containing four elements: 'Extensions.Config' on the left, and three smaller blue rectangular boxes with black borders on the right, labeled 'CompilerServices', 'Decorations', and 'Installations' from left to right.
