The diagram consists of two rectangular boxes. The left box is shaded gray and contains three lines of text representing a test assembly. The right box is white with a black border and contains two lines of text representing a Razor assembly. A straight blue arrow points from the right side of the gray box to the left side of the white box. A curved blue arrow originates from the top of the white box and points back to the top of the white box, indicating a self-dependency.
