Luthetus.Common.RazorLib.
Options.Displays.InputAppFontSize

```
graph BT; A[Luthetus.Common.RazorLib.Options.Displays.InputAppFontSize] --> B[ComponentBase]; A --> C[IDisposable];
```

The diagram illustrates the inheritance structure of the `Luthetus.Common.RazorLib.Options.Displays.InputAppFontSize` class. It is shown as a gray box at the bottom, with two blue arrows pointing upwards to the `ComponentBase` and `IDisposable` interfaces, which are represented as white boxes at the top.
