

## Tests

The diagram consists of a large light blue rectangle with a dashed border. Inside this rectangle, the word 'Tests' is centered at the top. Below it, there is a smaller light blue rectangle with a solid dark border. This inner rectangle contains four elements: the word 'Common' on the left, and three smaller blue rectangles with dark borders on the right. These three smaller rectangles are labeled 'Basis', 'Bugs', and 'UserStories' from left to right.
