

ComponentBase

```
graph BT; A[Luthetus.Common.RazorLib.  
Menus.Displays.MenuOptionDisplay] --> B[ComponentBase];
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'ComponentBase'. Below it is a larger, shaded box containing the text 'Luthetus.Common.RazorLib.' and 'Menus.Displays.MenuOptionDisplay'. A blue arrow points from the bottom of the shaded box up to the bottom of the 'ComponentBase' box, indicating that 'MenuOptionDisplay' inherits from 'ComponentBase'.

Luthetus.Common.RazorLib.
Menus.Displays.MenuOptionDisplay
