

LayoutComponentBase

IDisposable

Luthetus.Ide.RazorLib.Shareds.
Displays.IdeMainLayout

```
graph BT; A[Luthetus.Ide.RazorLib.Shareds.Displays.IdeMainLayout] --> B[LayoutComponentBase]; A --> C[IDisposable];
```

The diagram illustrates the inheritance structure of the `LayoutComponentBase` and `IDisposable` interfaces. A central box at the bottom, representing the `Luthetus.Ide.RazorLib.Shareds.Displays.IdeMainLayout` class, has two blue arrows pointing upwards to the `LayoutComponentBase` and `IDisposable` boxes, indicating that it inherits from both.
